4BLOCKS KOREAN

Hangul Sounds #2
Worksheet

Name: _____

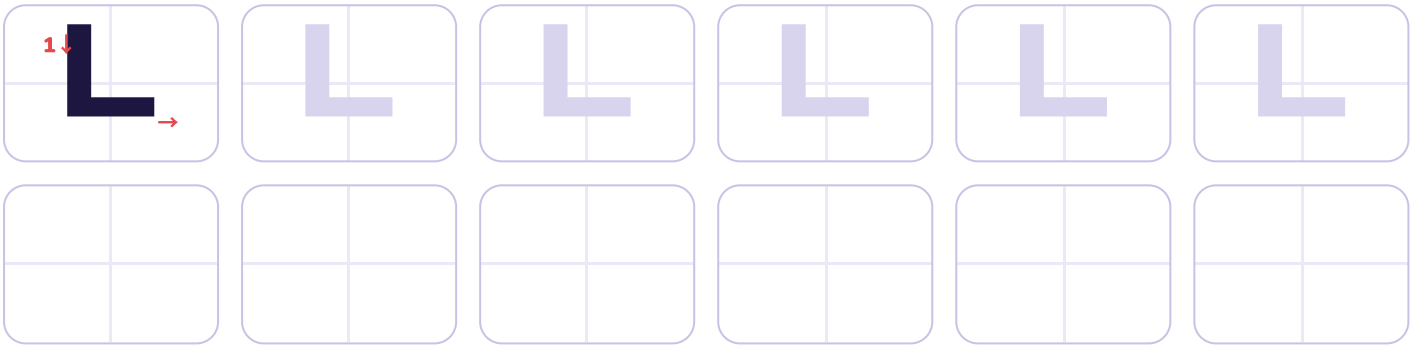

L

ㄴ sounds like n in “no”.

Say 느 (neu). The tip of your tongue goes up and touches the bump behind your top teeth.

That is the shape of ㄴ: a picture of your tongue tip! (It is NOT an English L.)

1 Trace, then write ㄴ

2 Find and circle every ㄴ

ㄴ	ㄱ	ㄴ	ㄴ	ㅁ	ㄷ	ㄴ	ㄱ
ㅅ	ㄴ	ㄹ	ㄴ	ㄴ	ㅇ	ㄷ	ㄴ

How many ㄴ did you find? _____ (Careful: L is English, not Korean!)

3 Read the words. Say 느 first!

나비

butterfly

나무

tree

노래

song

누나

big sister

4 Chant along with the video

느 느 나비! (butterfly) 느 느 나무! (tree)
느 느 노래! (song) 느 느 누나! (big sister)
나비가 나무에 앉아요! (The butterfly sits on the tree!)

5 Circle every ㄴ in the sentence

나비가 나무에 앉아요

The butterfly sits on the tree. Hint: there are 3. One is hiding at the bottom of 앉!

Bonus: blue = who, yellow = where, red = the action at the end. That is the 4BLOCKS way to build sentences!

6 ㄱ or ㄴ? Write the missing letter

__ 방 (bag) __ 비 (butterfly) __ 기 (meat) __ 무 (tree)

7 Write the words

8 Quick check

Which letter says 느? ㄱ / ㄴ

When you say 느, which part of your tongue goes up? _____

Answers: 2) 6 · 5) 나, 나, 앉 · 6) 가방, 나비, 고기, 나무 · 8) ㄴ, the tip
